Phone: 0432 207 956

Bead supplies:

- Size 15 seed beads (main colour)
- Size 15 seed beads (secondary colour)
- Size 15 seed beads (accent colour)
- Superduo beads (colour complementary to accent or secondary colour)
- Ear hooks

Clearly contrasting colours will ensure easy identification of your stitch movement.

Optional – see note

- Size 8 seed beads (main colour)
- Size 11 seed beads (accent colour)

Note: Size 8 and size 11 seed beads are only required for those who are not as comfortable with working with size 15 seed beads.

(The earrings will be bigger)

Please bring the following equipment:

Bead mat

Beading needles (size 13, older bendy ones are better and size 10)

Nymo thread (size B is better as it is thinner, and as we will need to do several thread passes, this is ideal)

*Bead lamp if required

Scissors

Power boards will be supplied for student use on the day if necessary.
