Lynda Taylor, Co-Owner & Creative Chief - **Banjos Bead House**

Shop 3 Bells Road, Oatlands NSW 2117

02 9898 1661

www.banjosbeadhouse.com.au

Kit: \$45.00

Includes all class supplies and use of tools.

This class is a great introduction to metal etching and embossing, you will learn how to add texture & dimension to metal without the use of chemicals.

During the class you will have access to a wide range of texture materials and tools to emboss or etch antique brass and be shown how to create a two-tone colour finish.

The kit contains all of the pieces & materials you need to create 3 pendants and 3 pairs of earrings.

(Lynda will be attending the Retreat too, so will also have extra findings and goodies for sale over the weekend.)

Additional information

BYO gloves: The buffing process will leave black marks on your fingers, which are easily washed off, so you can wear gloves during this step.

Tools Required – All tools for this class will be provided – but if you have chain nose and flat nose pliers please bring them with you.

Please bring latex gloves if you do not wish to have black marks on your fingers.
