

Bridge Ring

© 2013 Nancy Cain

This is a comfortable ring that can be worn by alone or stacked with another Bridge ring. In one stitching technique, combine circular and flat peyote to make this beautifully engineered channel set ring.

Material list

A color is the dominate color of the ring and the outside edge ruffle

B color is the accent color of the ring and inside edge of the ruffle next to the bicones or pearls

Beads and other materials

1.5 g 15/0 A color

1.5g 15/0 B color

1g 11/0 A color

2g Delica -size 11 A color

5 to 8 - 4mm Swarovski crystal Bicones or 4mm Swarovski crystal Pearls. You can also alternate 3mm crystal pearls with 4mm bicones.

(You can match, coordinate or contrast these to your A and B colors)

1 color One G thread

6# Fireline *(use smoke/crystal or other color to enhance or works well with the bicones or pearls.)*
